Dear Les:

The Public Service Commission is an "Other Funds" agency that is funded by assessments levied on the entities that the Commission regulates; this will not change by virtue of Act #175 of 2004. The Agency is pleased to announce that it does not seek any additional funding to its current base for fiscal year 2005-2006. In addition, the Commission is not requesting any additional provisos, changes, and/or deletions to its current enabling provisos at this time. As I told Don Addy, the Committee may revisit some of this.

Also, we will construct our budget detail document in keeping with the 2004-2005 and 2005-2006 totals as authorized by the Oversight Committee and the Office of State Budget.

If I can be of further assistance, please feel free to contact me at 896-5133.

Sincerely,

A handwritten signature in dark ink, appearing to read "G. N. Dorn, Jr.", is written over the typed name.
